

Customer Journey Map

Date	30 june 2026
Team ID	SWTID-2026-3278
Project Name	Credit Card Approval Prediction
Maximum Marks	2 Marks

Customer Journey Map

Phase of Journey	Stage 1 -Apply	Stage 2 -Verification	Stage 3 -Approval
Actions <i>What does the customer do?</i>	Fills application form and uploads documents	Waits while income, credit score, and identity are verified.	Receives approval or rejection notification and checks card details
Touchpoint <i>What part of the service do they interact with?</i>	Bank website/mobile app, registration page, application form.	Document verification system, customer support, email/SMS updates.	Approval message, bank portal, welcome email, credit card delivery.
Customer Thought <i>What is the customer thinking?</i>	Will my application be accepted?	How long will verification take?	I hope I get approved with a good credit limit.
Customer Feeling <i>What is the customer feeling?</i>	. Interested and hopeful.	. Anxious and impatient.	. Happy and satisfied if approved; disappointed if rejected.

Process Ownership <i>Who is in the lead on this?</i>	. Customer and Application Portal.	. Verification Team / AI Prediction Model.	. Bank Approval Team and Card Issuance Department.
Opportunities <i>How can we improve this stage?</i>	• Simple application form with clear instructions.	• Faster AI-based verification with real-time status tracking	• Instant decision, clear rejection reasons, and suggestions to improve eligibility
